James Federhoff, Attorney for the petitioner BMRC, Inc. stated that the Mr. & Mr. Lombard the principals in a company known as the Hair Care Center wished to construct a beauty salon on this location. He stated that the property is in a rundown condition and has been for 2 years. He had letters of support or no opposition from the adjacent property owners as well as neighborhood residents. He stated they are willing to covenant the property against any uses allowed in a B-1-A except those related to hair care.

Mr. Lombard, petitioner, stated they intend to construct a 1-story pitch roof building to blend in with the residential character of the area. He state they would buffer the property with a 6 foot high stockade fence that would surround the entire property that is adjacent to residential as well as using shrubbery to muffle noise. He stated they have 20 parking spaces and will not require any additional curb cuts.

There was no one in opposition or to speak in favor of the rezoning request.

Business Meeting - July 23, 1984

The Plan Commission Site Committee recommended denial stating that they felt it was spot zoning and recommending a new zoning district be created for fringe neighborhood commercial areas.

The motion to deny failed for a lack of a majority vote.

Following discussion a motion was made to approve the request with the condition that a restrictive covenant be placed on the property allowing only the following uses in the B-1-A:

1. Office
2. Beauty Parlor
3. Barber Shop
4. Cosmetics Store; and/or
5. Uses accessory to the above.

Motion carried.

RESOLUTION OF ZONING ORDINANCE AMENDMENT RECOMMENDATION

WHEREAS, the Common Council of the City of Fort Wayne, Indiana, on July 10, 1984, referred a proposed zoning map amendment to the City Plan Commission which proposed ordinance was designated as Bill No. Z-84-07-09; and,

WHEREAS, the required notice of public hearing on such proposed ordinance has been published as required by law; and,

WHEREAS, the City Plan Commission conducted a public hearing on such proposed ordinance on July 16, 1984;

NOW THEREFORE, BE IT RESOLVED that the City Plan Commission does hereby recommend that this ordinance be returned to the Common Council with a DO PASS recommendation based on the Commission's following "Finding's of Fact":

- (1) the grant will not be injurious to the public health, safety, morals, and general welfare of the community;
- (2) the use or value of the area adjacent to the property included in the rezoning will not be affected in a substantially adverse manner;
- (3) the need for the rezoning arises from some condition peculiar to the property involved and the condition is not due to the general conditions of the neighborhood;
- (4) the strict application of the terms of the zoning ordinance will constitute an unusual and unnecessary hardship if applied to the property for which the rezoning is sought; and,
- (5) the grant does not interfere substantially with the Comprehensive plan adopted under the 500 series of the metropolitan development law.

BE IT FURTHER RESOLVED that the Secretary is hereby directed to present a copy of this resolution to the Common Council at its next regular meeting.

This is to certify that the above is a true and exact copy of a resolution adopted at the meeting of the Fort Wayne City Plan Commission held July 23, 1984.
